Greetings Alumni,

Welcome to the official website for the Appalachian State University African American Alumni Network (AAAN). AAAN is an affinity group that is part of our parent organization, The Appalachian State University Alumni Association.

I have the honor and privilege of serving alongside a supportive team that loves Appalachian just as much as I do. Our board consists of a group of professionals who volunteer their time and energy to give back to our Alma Mater.

We are excited about a New Year and a new season. Our 2017-2019 goals are listed below:

- Enhance visibility on Campus
- Partner with the Office of Admissions to recruitment and retention of African-American students
- Engage African-American Alumni
- Increase participation in ALL Alumni efforts
- Expand Regional Networking Events
- Collaborate with University Advancement in the fundraising efforts for the Willie C. Fleming
- Be a resource for African American students
- Establish and maintain mutually beneficial relationships with Black Faculty and Staff

As you can see, we will have a busy couple of years ahead of us and are excited about what’s to come this next season with The African American Alumni Network.

It’s important to remember that we are better together and regardless of who you are or where you come from, WE ARE ALL APPALACHIAN.

Stay tuned for upcoming events both in your region and at The Rock. Please contact us at asuaaalumni@gmail.com for more information on AAAN efforts and how to get involved.
